UNIFORMS by BERNARDS

Over very many years Bernards have tailored Officers' Uniforms to a high specification assuring satisfaction in every aspect of correctness and quality.

Such Uniforms in Superfines and Diagonals are tailored from the best available cloths from mills specialising in top-grade materials and more recently Bernards have introduced in consultation with I.C.I. a Terylene and Worsted Serge blend which is proving tremendously successful.

Fine Uniforms, indeed, and a first class personal service is provided by Bernards from whom on every aspect of quality and service the Royal Navy Officer really does buy better.

HER MAJESTY'S STATIONERY OFFICE
1962

The Navy List is compiled and published by order of the Lords Commissioners of the Admiralty for the convenience of the Service, but as errors may occasionally occur their Lordships must expressly reserve their right to determine the status of any Officer according to the actual circumstances of the case, independently of any entry in the Navy List.

By Command of Their Lordships,

C. G. JARRETT.

NOTES

Officers and others who may notice errors or omissions in the List are invited to communicate direct with

THE SECRETARY OF THE ADMIRALTY,
(Editor of the Navy List) London, S.W.1,

mentioning the ship or page in question. Communications should be marked "On Her Majesty's Service," and need not be stamped.

The Navy List is published twice annually in the Spring and Autumn, but the Reserves Section and Obituary are included only in the former edition, which is on sale to the public.

The seniority lists of Officers on the Retired and Emergency Lists are published annually in a separate sale edition of the Navy List.

The rates of pay, regulations, &c., are contained in a special sale publication entitled "Appendix to the Navy List," which is published annually in June.

Officers who succeed to peerages, baronetcies, or courtesy titles should immediately notify the Secretary of the Admiralty, in order that the necessary alterations may be made in the Navy List and in the official records of the Admiralty.

The degrees shown after Officers' names in the Navy List are not necessarily a complete list of those held, but, generally speaking, are confined to degrees of an honorary nature conferred specially upon an Officer, and those which are so related to the professional duties of an Officer as to give some indication of his professional qualifications.

This edition of the Navy List is corrected to include those promotions, appointments etc., promulgated on or before 18th January, 1962 as becoming effective on or before 28th February, 1962.

The above list is issued for the information of Captains of Her Majesty's Ships with reference to the provisions of Article 1252 of the Queen's Regulations and Admiralty Instructions, under which they are authorised to ascertain whether British Merchant Ships (including Fishing Vessels) flying the Blue Ensign of Her Majesty's Fleet are legally entitled to do so.

2. The detailed regulations issued by the Admiralty and the Ministry of Transport and Civil Aviation lay down the following conditions relative to the wearing of the Blue Ensign —

The Blue Ensign is *not* to be worn if—

(a) from any circumstances, the Officer to whom the Admiralty Warrant was issued is not in command of the ship;

(b) the number of persons qualifying as "reservists" (see *Note* below), in addition to the Commanding Officer, is less than the following requirement:—

- (i) in a ship other than a fishing vessel, one reservist officer,
- (ii) in a fishing vessel, four reservists,

unless it can be shown by the endorsements on the Agreement or by entries in the official log, that the reduction in the number has been caused by death, sickness, desertion, or joining a British Man of War, or by some unavoidable casualty.

3. Commodores on the active or retired lists of the Royal Naval Reserve or Commonwealth Naval Reserves qualify for the privilege in their own right, without the requirement of a number of reservists.

4. Article 1252 of Queen's Regulations and Admiralty Instructions prescribes the action to be taken by the Captain of one of Her Majesty's Ships if a merchant ship is found to be wearing the Blue Ensign without the Admiralty Warrant or otherwise not complying with the foregoing regulations.

Note.—"Reservists" can include Officers and men of the Royal Naval Reserve or of a Commonwealth Naval Reserve, time-expired ratings who have completed 20 years' service in the Royal Naval Reserve, members of the Royal Naval Special Reserve, Officers on the retired or emergency lists of the Royal Navy or of a Commonwealth Navy men belonging to the Royal Fleet Reserve, Royal Naval Pensioners and Royal Marine Pensioners.

1, CHESHAM STREET, LONDON, S.W.1

The fund is recognised by the Admiralty and the Ministry of Transport as the Central Fund for officers and men of the Royal Navy, Merchant Navy and Fishing Fleets. It maintains the Central Bureau for Naval Officers' Charities and makes allocations to over 120 benevolent and welfare societies covering the needs of the officers and ratings past and present, and of both sexes.

The objects of the fund are:—

- (a) to advise which is the appropriate society or fund to deal with any individual case which may be brought to its notice;
- (b) to assist individual applicants by providing them with the name of the appropriate charity to deal with their cases;
- (c) to give information when applied to as to the work and scope of any particular society or fund.

Note: Grants cannot be made to individuals.

The King George's Fund needs your help, but if you are in need of assistance yourself *you are invited to communicate confidentially with the General Secretary.*

ROYAL NAVAL BENEVOLENT TRUST

HEAD OFFICE: HIGH STREET, BROMPTON,
GILLINGHAM, KENT

The R.N.B.T. is the central benevolent organisation for assisting the "past, present and future" men of the Royal Navy. It is administered by a central committee, and three local committees. All the powers of the Trust are vested in and exercisable by the central committee acting either directly or by delegation to the local committees namely one each for the ports of Chatham, Devonport and Portsmouth. There is also a committee of R.N.B.T. corresponding representatives on the Mediterranean station with an office at 2, Harper Lane, Floriana, Malta, G.C.

The objects of the Trust are:—

- (a) to provide relief in cases of necessity or distress to those who have served or are serving as non-commissioned officers and men in the Royal Navy;
- (b) to make provision of training for such persons for civil life and assistance in order that they may obtain suitable employment after leaving the Service;
- (c) to make contribution either directly or through the agency of other benevolent or educational institutions to the care, training, maintenance and welfare of the families and dependents of such persons in cases of necessity or distress.

In carrying out its primary beneficial objects, the Trust supports and co-operates with many other organisations whose work is known to benefit Naval men and their dependants. Grants are made to maternity homes, convalescent and rest homes, homes for the aged and the disabled, children's homes and schools, training and treatment centres and many others. The Trust also makes large annual grants to the National Association for the Employment of Regular Sailors, Soldiers and Airmen as the Navy's share of the cost of finding employment in civilian life.

The Trust administers and maintains the Naval School of Motoring, Twyford Avenue, Portsmouth, and Pembroke House (Home for aged ex-naval men), Oxford Road, Gillingham, Kent.

The Trust also administers the **Royal Naval Fund** as a separate fund and in accordance with the terms of its Trust deed. The funds available consist mainly of the interest derived from the investment of the surplus proceeds of the Royal Naval Exhibition of 1891. The income so derived is expended in affording assistance to the widows, orphans or other dependent relatives of Seamen and Marines who have died while in the service

of the Crown (i.e. borne on the books of one of H.M. Ships or any of the Royal Marine divisions at the time of decease), or within a period of ten years after discharge from the Service—provided the applicant is not in receipt of a service dependant's pension.

Subscriptions and requests for further informations should be addressed to the General Secretary at the Head Office. Applications for assistance are considered by the local committees and should be made as follows:—

Chatham Port Division: R.N. Patrol Service; Boom Defence Service; Naval Canteen Service (limited); R.M. Depot Deal; R.M.—numbered ex-serving R.Ms; and R.N.V.R. (London, Tyne and Humber Divisions)—R.N.B.T., Batchelor Street, Chatham, Kent.

Devonport Port Division: Maltese ratings and Malta R.N.R.; Chinese ratings; Plymouth Group Royal Marines and men serving under the Army act; and R.N.V.R. (Cardiff, Mersey, Severn, Ulster and Wales Divisions)—R.N.B.T., Stopford Place, Stoke, Devonport.

MARINE SOCIETY

CLARK'S PLACE, BISHOPSGATE, LONDON, E.C.2

The purpose of this charity is to help poor boys of good character to go to sea, either by making grants towards their pre-sea training, their outfit of uniform on going to sea, or by giving advice when needed on the most suitable steps for a boy to take with the object of ultimately going to sea in the Royal or Merchant Navies. Apart from local education authorities the Marine Society is by far the largest benefactor on these lines. Nearly 400 boys were helped to make the sea their career during the year 1952.

The Society also administers two funds, namely, the **Hawkins Trust**, for the relief of widows of naval officers, Lieutenants and above, and the **Kelly Holdsworth Trust** for the benefit of widows or orphans of naval officers of and above the rank of Commander (Executive Branch). Applications for grants from these funds should be made annually during the months of May and November respectively.

A small sum is also available for distribution annually under the **Hickes Trust** for helping to fit poor girls to useful trades.

Further information can be obtained from the Secretary, who will also gladly acknowledge contributions, at the above address.

ROYAL PATRIOTIC FUND CORPORATION

WELLINGTON HOUSE, BUCKINGHAM GATE,
LONDON, S.W.1

The Corporation administers a number of funds for the benefit of widows, orphan children, and other dependants of members of Her Majesty's Forces. Age of admission 5-11 years.

All applications should be addressed to the Secretary at the above address.

KING EDWARD VII's HOSPITAL FOR OFFICERS

BEAUMONT HOUSE, BEAUMONT STREET,
LONDON, W.1

The Hospital has both single rooms and small wards. All commissioned officers of the three services, serving, retired or ex-temporary, are eligible for admission. A number of ward beds are set aside for serving officers who are entitled to free nursing and maintenance. Extra charges are kept to the minimum, and are constantly reviewed. The ability of the patient to pay is always considered, and in addition there is a Samaritan Fund.

The Hospital is mainly for surgical and medical cases, and has its own Medical Officer (from whom subscribers can obtain preliminary advice without charge), a Physiotherapist, and an X-ray apparatus. The Hospital has its own consultant staff whose fees are in accordance with the patients' means, on a scale approved by the Council. Patients may, however, still make their own arrangements with any physician, or surgeon of their choice, if they so desire.

Applications for admission should be addressed to the Matron.

The Hospital has been disclaimed by the Minister of Health and is therefore entirely dependent on voluntary support. Subscribers are asked to pay one pound yearly by banker's order, which can be obtained from the *Hon. Appeals Secretary, 15, Ormond Yard, Duke of York Street, London, S.W.1, who will also be pleased to receive donations.*

The wives of ex-service personnel and of civilians are also accepted, but the wives of serving personnel have priority. The Home has a complete nursing staff and a staff Medical Officer and is full equipped in every way. Five clinics are held in the Centre weekly.

The income is derived from patients' fees. This source provides for about two thirds of the cost of the Home and the balance of the expenditure has to be made up by annual grants and voluntary donations, which will always be most gratefully accepted as the Home depends on these.

If they are in receipt of the Old Age Contributory Pension or of any other form of pension or private means, they must surrender the Old Age Pension, or its equivalent, to be employed by the Trustees as part of the revenue of the Home, but they will be allowed to retain any balance for their own personal use. Subject to this, their entire maintenance, including board and clothing, is provided free of cost by the Trust. The present practice, which the Trustees reserve power to vary or discontinue at any time, is to give each man an allowance of tobacco and pocket money.

The Readers work under the direction of Naval Chaplains, visiting H.M. Ships, Naval and Marine Barracks, Air Stations and Hospitals, where they find many opportunities of getting into close touch with Service men and of delivering their message.

The Society is officially recognised by the Admiralty and it therefore appeals confidently to the Service to support its own Church Society.

Subscriptions and donations may be sent to the Organising Secretary, Chaplain's Office, H.M. Dockyard, Portsmouth.

Admiralty Manual of Navigation

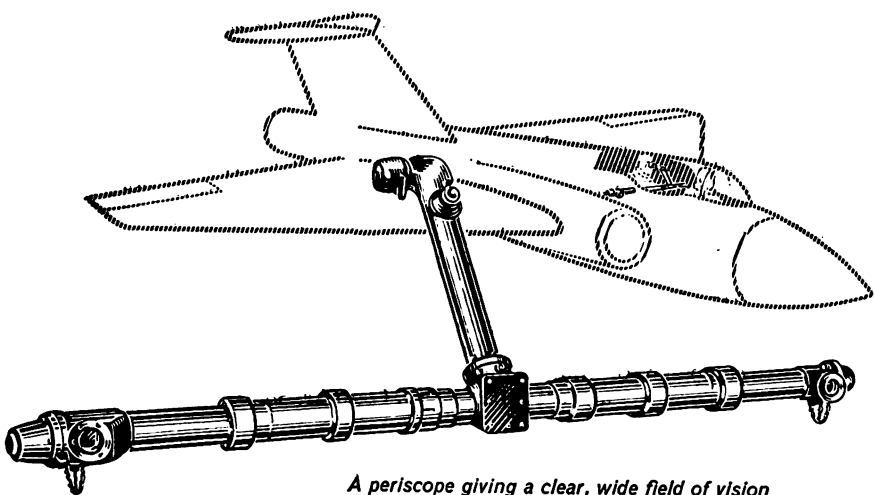

Publication of a 1960 revision to Volume II of the *Admiralty Manual of Navigation* affords an opportunity of recalling to all concerned with the sea and ships the particular advantages to be gained by studying this official work and by retaining it at hand for constant reference. The first of its three volumes is a practical guide for executive officers covering the syllabus for examination in Navigation and Pilotage for the naval rank of Lieutenant, but omitting the study of nautical astronomy and meteorology. Volume II is the textbook of nautical astronomy and off-shore navigation completing this syllabus, and covers also the meteorology syllabus for officers qualifying in Navigation and Direction. The third volume is based on the navigation syllabus for these officers and deals with advanced subjects and mathematical proofs not covered in Volumes I and II. Volume II is available at 20s. (post 1s. 3d.). Revised versions of Volumes I and III are in hand.
